A call to live like Jesus

Frontline...

A Travelling Ticket Examiner (TTE) once found a man seated near the train door on a newspaper. When he was examined and enquired about, he said that he had a confirmed ticket with him but said that there was someone in his berth sound asleep and that he did not want to disturb him. The TTE was astonished and asked him, "Are you a Christian?" Before that trip ended, he too became a child of God. Do our words, thoughts, and deeds affirm that we are Christians? Because we are called to live like Jesus!

There are several religions in this world, following their own scriptures, but only in Christianity does our life itself become a Bible for many others to read and know Christ. That's why Paul writes in 2 Cor: 3:3 that "you show that you are a letter from Christ, the result of our ministry, written not with ink but with the Spirit of the living God, not on tablets of stone but on tablets of human hearts." Therefore, we are called to live like Jesus!

Christians (Christ + Ians) were disciples who followed Jesus (Acts 11:26). Then their words, deeds, their character, etc. should have been like Jesus'. That's why they were identified as Christians. Gandhi once said, "I like your Christ, I don't like your Christians, you Christians or so unlike Jesus Christ" And about roses, he said, "The rose doesn't have to propagate its perfume. It just puts it forth, and people are drawn to it. Live it and people will come to see the source of your power. "

Let us commit to living as Christ-ians and as "Vedhakarargal" (people who follow the Holy Bible) by which we Christians are called in rural areas. Let people see Christ's image in us. Let our lifestyle portray Christ's humbleness, patience, kindness, gentleness, compassion, love, etc. It is easy to die for Christ, but it is very difficult to live for Christ. But He gives His grace to live like Him. Just as Jesus went about doing good, let us also look for ways and means through which people can see Christ in us. Just as those tiny insects that are drawn towards the light, let us lead many in darkness towards the light. It's an opportunity given to us to be what we read in the Bible. In Eph. 5:1 we are called to follow Christ. We who have got this call should live worthy of the call. May the Lord grant us His grace to live like Him!

From the General Secretary...

Dear partners in the mission of reaching the un-reached Indians,

Greetings to you all in the almighty Name of our Lord Jesus Christ!

October is the month set apart in FMPB for visiting the fields and having fasting and prayers with the missionaries in the mission fields. This year also many prayer groups have already planned to visit the mission fields. I would like to encourage many more prayer groups to visit and take many new members to the mission fields for the important Annual event of FMPB. Above all, I also request the visiting teams to plan for a three days fasting prayer or at least one full day fasting prayer with the missionaries to pray for the missionaries, ministry and the strongholds of the visiting state to lose its strength for the Gospel to reach everyone. The Lord may put the spirit of intercession on all of us as Prophet Jeremiah says in Chapter 9 verse 1 “Oh, that my head were a spring of water and my eyes a fountain of tears! I would weep day and night for the slain of my people”.

Youth Wing Golden Jubilee

FMPB youth department started in Hare Island (Muyal Theevu in Tamil) in Tuticorin in the year of 1973 with the purpose to raise young missionaries. This is the 50th year of God's faithfulness for the youth ministry. FMPB is planning to

conduct a large youth gathering in the month of January 2023 to commemorate the Golden Jubilee year of FMPB youth ministry. We remember all the missionaries who gave leadership to this important department in the past. Continuously pray that the department may be used by the Lord to raise more missionaries in the coming days.

FMPB US Silver Jubilee

There is a registered organisation in USA in the name of FMPB US to be a bridge between FMPB and its Indian supporters living in the US. They conduct regular prayer meetings for the ministry of FMPB in different states and have conferences every year in some places. For the past two years due to the Covid19 pandemic situations, these conferences were conducted virtually and this year too we are planning to conduct the conference virtually. This is the 25th year conference for the FMPB US and so, it is celebrating its Silver Jubilee. In a zoom meeting with the FMPB US leaders, they said “it is by the pure grace of God that they could reach 25 years”. The Lord is with us and in us to fulfil the great commission.

Calendar work

The 2023 calendar preparation is completed and has gone to the press, so that the calendars may be distributed to the Mobilization offices on time. Kindly pray that the calendar may remind all about our vision and responsibilities to this nation.

Follow The Lord

Do as the Lord says will be the appropriate translations for the word “Follow the Lord”

Apostle Paul says that the children will be the exact replica of their parents. Children learn everything, whether it is good or bad. Being that God is our parent, His nature must be apparent in us. Being his children, we must obey him. In Ephesians 4:1 Paul opens with a note, “walk worthy of your calling” He finishes chapter 4 clearly instructing to avoid lie, anger, filthy words, and bitterness and begins the next chapter with “Follow the Lord”

1. Ephesians 5:1-2 Walk in Love

In former days, the bitterness lingering in the family ties will be restored mostly during wedding ceremonies or a death in the family. Nowadays it has become impossible to restore the relationships even during such times. Broken and strained relationships cannot be repaired as hypocrisy has crept in. The love mentioned here is genuine arising from the heart. I Pet 4:8 says, ‘Love covers all’

i) We are children of God- Ephesians 5:1

We are partakers of the divine nature

because, through faith in Christ Jesus, we are born again (2 Pet 1:4) if God is love, then his children too need to love. If we are born again then we must love like Jesus. But our old nature is selfish, which does not allow others to step into our territory. New life accepts all and love must be manifested in their way of life. They will be peacemakers.

ii) God's beloved children

When Jesus came out of the river God's voice was heard from heaven saying, “This is my beloved son in whom I am well pleased”. (Mathew 3:17) This manner of love towards us is noted in the prayer of Jesus where he utters these words ‘that the world may know that you love them just as you love me. We who are the objects of His love need to follow God.

iii) He has bought us with a price.

No love is greater than of a friend who is willing to die for the sake of friendship. But while we were still sinners Christ died for us. We ought to reciprocate that love as He has sacrificed his very own life for us. Paul compares the sacrificial love to the pleasing aroma that is emitted from the Altar. Two words are used here. ‘Pleasing aroma’ & ‘sacrifice’- This means it cherished by the Lord. In fulfillment of

the law, Jesus gave himself as a sacrifice and the Lord God accepted it as a pleasing aroma.

The Book of Leviticus talks about three types of sacrifices which can be compared to Jesus Christ dying on the cross. Burnt Offering - Jesus' sacrificial love, Grain offering - Jesus' flawless character and Peace Offering - Jesus working out Peace between God and Man. Sin offering and guilt offering is compared to Jesus bearing upon himself the sin and the guilt of the mankind- This is not a pleasing aroma but Forgiveness. (Lev 4:35) we need to love one another as Christ had offered himself as a pleasing aroma and sacrifice. Love is the basic value of every Christian. Walking in love is an act of obedience to God. If we love we will not hurt the other human being. As per Romans 13:8 one who loves the other is fulfilling the law. This love has been poured in our heart through the Holy Spirit. (Romans 5:5)

2. Ephesians 5:3-14 Walk as Children of Light

I am the light of the World. (John 8:12)
We people who follow Christ has no connection with darkness. Paul explains this through 3 points.

i) We are holy- We are separated and set apart from the world. We do not belong to this world. We are called out of darkness into this wonderful light (IPeter 2:9). Approving to sin which is darkness is below the dignity for the holy people. God's name will be disgraced.

Paul highlights this truth as follows.

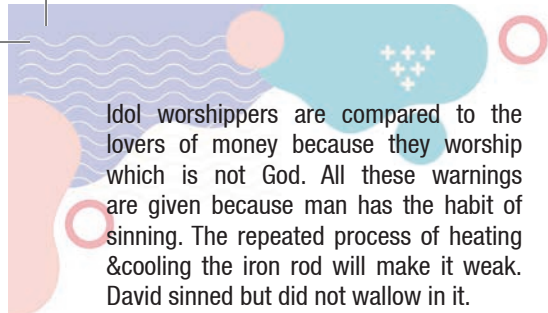

ii) Fornication (Ephesians 5:3 which was and is rampant both in those days and

now is admonished by Paul. "Cut off "all these instruments of technology which is a result of the scientific growth which ignites a desire deep within us. Unquenchable or insatiable bodily appetite tries to grab and possess everything that does not belong to them. Lust of the flesh - Even the names of these things should not be mentioned among you -often quoted by Dr. Rev. Sam Kamaleson.

iii) Talk/ Conversation -Ephesians 5:4- This is the revelation of the heart springing basically from the same appetite. Any speech proceeding from the heart for mere self-satisfaction is not good for the Holy people. -Jokes can make others wisdom less and teasing and mockery will lower our dignity. Words ought to build and edify others- Ephesians 4:29. Foolish talk will spoil our testimony. Our words need to be filled with grace and salt. (Col 4:6, 3:16-17)

3. Ephesians 5:5-6- We are Kings (Children of the Kingdom)

Through faith we become the children of the Kingdom. ie. when we repent and get the assurance of forgiveness we enter into God's Kingdom. (John 3:3) but the whole revelation will be visible only on His second coming. (IJohn3:2) We struggle within ourselves waiting for it. (Rom 8:23). Those who continue in sin and enjoy doing it, they will not inherit the Kingdom of God. Those who indulge in the works of the flesh Those who have affairs with the opposite sex and the idol worshippers (Ep.5:5). They will not inherit the Kingdom of God.

Idol worshippers are compared to the lovers of money because they worship which is not God. All these warnings are given because man has the habit of sinning. The repeated process of heating & cooling the iron rod will make it weak. David sinned but did not wallow in it.

During the times of Paul, there were Christians who preached wrong notions about Christianity. They were of opinion that since grace is freely available, one has a license to do sin again and again and leave it in the end. This made the innocent Christians go astray. (Eph.5:6). God's judgment in dealing with the believers will be stricter than the unbelievers. Because, God is expecting his children to live holy and guileless. In today's world many run Christian programmes but only a few follow Him more closely like shadows and reflect Him. As Kings representing the Kingdom of God we need to reflect Him by not lowering ourselves to that of the world standards but are supposed to lift others up to our standards by making them belong to the Kingdom of God.

4. Ephesians 5:7-14 **We are the Light**

Paul exhorts all to live as children of light and explains in 2 Corinthians 6:11-7:1

Paul does not mention that once we were lingering in darkness. Please note that he mentions that we were darkness. In Ephesians 5:8 he says formerly you were darkness but now you are saved. In the spiritual realm, the children of light bear fruit. Many taste the fruit and understand the greatness of the Kingdom of God.

One cannot live as children of light and

children of darkness simultaneously. That's why Paul emphatically stresses us to live with the values of the Kingdom of God as children of light. The fruit of the spirit has goodness too as a taste and these children of God have this in their lives. That's why we are able to print our accounts in the Friends Focus magazine.

All these characters are formed on the basis of the relationships we enjoy with God. In Mathew 5:16 Jesus says, "Let your light shine". A transparent life is necessary in the presence of God. The truth is that we cannot hide anything from God. When Spurgeon, the great preacher was sought for permission to write about him in a magazine he told them to write in the sky as he has nothing to hide. Our daily walk must exhibit the light so that they too can be guided in their walk as Satan has blindfolded the eyes of the worldly people. (Ephesians 4:17-19) Light will reveal God to them; will produce fruit; will point out the mistakes. Jesus said, I am the light of this world in John 12:46

To the disciples he said, you are the light of the world. Mathew 5:14.

Neither a surgeon nor an artist can do their work in darkness. For a surgeon it will be like risking a life.

The children of darkness will not come to light for fear of their dark deeds being exposed. During the time of Jesus hated him because his very presence exposed their evil deeds. Likewise, Christians should live a life of light so that the others should realize their dark deeds and produce fruits.

So Paul exhorts to adorn the whole armors

of God to oppose the fruitless deeds of the darkness. (Ephesians 6: 13). Struggles in the flesh should turn us to light. A new light brightly shone on the day Jesus was resurrected. As a star of faith the children of light should guide others.

5. Ephesians 5:15-17 Walk wisely

Paul exhorts us to walk wisely. Those who are not careful will stumble and fall. So we ought to be careful in making decisions. Ps.32:8 / Isaiah 28:29. There is a possibility that even the wise people can do something foolish. That's what the verse Proverbs 1:7 depicts-The fear of the Lord is the beginning of wisdom. Many who are in sleep walk and have lost their opportunities to glorify God. (Ephesians 5: 14-15) Paul reasons out the following.

i) A Sign of wisdom 5:15

A fool travels wherever the wind blows. But wise men plan beforehand. They also determine the end. To build house wisdom is essential. We will be able to tackle any situation only if one plans ahead. In I Samuel 26th chapter, Saul who out of jealousy with an intention to kill David is pursuing him. Mark his words - In verse 21 he says, 'I have done a great harm like a fool. Days are evil 5:16. So we must use most of the opportunities.

In our land laws are made to crush the people and opportunities seem to dwindle. On the other side, as the individuals are responding positively to the Gospel, those opportunities are not to be missed. Our life is short 5:16. As our lifespan is very short, opportunities will not knock our doors the second time. A Chinese proverb

goes like this. "Beautify your hair before you become bald". So use the season of reaping profitably. God has given us discernment 5:17. One needs to use their discerning powers in order to know His will. Many people are of the opinion that God will reveal His will during an experience beyond understanding. But that is not only wrong but also dangerous. When our mind is renewed, He reveals His will. (Rom 12:1-2) Bible reading, Prayer, Meditation helps us to renew our minds. We will be able to know His will. God wants us to use our thinking process. ie. We ought to think. Reading the book of Proverbs gives us the knowledge of this world. Chapter 30 is segregated into 4 parts. The wise man is pointing out to four things. We can see four kinds of Man's nature in this passage. When we say think, it includes first to know the truth, second to search for it, third to testify and fourthly to pray for God's wisdom. To know His will merely is not sufficient. One needs to understand in order to step down into action. Become a man of action after knowing His will.

II) God has a plan for you. 5:17. God has a special plan for us because He has saved us. (Eph.2:10) One needs to find out in order to do the good works. It may be Social Work; Medical work; Teaching, Army, and Political or the highest calling to mission work. If you obey, He will make history through you. He reveals His plan through His Word (Col 1:9 & 10) He is in action around you. (Rom 8: 28 & 29). He will reveal His plan; guide us in order to glorify His name because His spirit dwells in us.

*Jeremiah 29: 11. - The Plans
I have for you is Peaceful.*

Fasting Prayer Days for Mission Fields Supported

Friends Missionary Prayer Band customarily observes special days of fasting in the month of October, for the mission field that each district is supporting during the Even though we remember each state of our country in our daily prayers, it is a unique experience to pray very specifically for the state that your district is supporting, not only from your home but also by visiting the mission fields, meeting the missionaries there, and praying along with them for the redemption of the state the missionaries minister in. Even this year, numerous Tamil Nadu groups have organised field trips to different states. They need to be remembered in our prayers.

We also request each mobilisation area to arrange special prayers from 1st to 31st October, especially for the states supported by your districts and for the other states too. We kindly request that you use the Prayer guide that has been published with special prayer concerns from each state to pray in your districts.

Witnesses from leaders

1. I have travelled 10 times to Jharkhand and 4 times to Uttar Pradesh and have fasted and prayed there. Going for a field visit to the state supported by your district is not only a unique experience, it is also mandatory to save this nation. Therefore we need to do this in a hurry.

- Mr. Augustine - Nellai

2. God gave me the grace to travel to nearly 25 states of our nation starting from the year 1992, to fast and pray for the ministry that is being done there. At the beginning fasting for 3 days was quite difficult for me, but later it became a blessed experience. I could feel the big difference praying from my place and going upto the mission field and praying there. Even this year I'm getting ready to go with our team to pray.

- Mrs. Sakuntala Daniel - Chennai

3. I had gone more than 30 times to various mission fields and have fasted and prayed there. These days of fasting and prayer has helped me personally to grow in the Lord. This has to continue.

- Mr. Arthur Manuel - Chennai

4. I got the 'opportunity to visit and pray with the missionaries in Jharkhand, who are being supported from our district for more than 20 times. We will see the answers for things that we prayed for when we go the next time.

Ordained to Serve God

The ordination service was held in Trichy with great zest and zeal on 14.08.2022 at St. Luke's in Bishop Heber's College.

Bishop Rt. Rev.Dr. D. Chandrasekaran presided over the ordination service. Rev.S. Sudarshan, Clerical Secretary, the Secretary, Treasurer and members of the Trichy-Tanjore diocesan council participated and graced the occasion along with FMPB, Scan and Mobilisation leaders and the leaders of the various Health and Institution of diocese and the members of the church. The Word of God was shared by the Bishop emphasising the importance of the missionary work.

The General Secretary of FMPB and Rev. Emmanuel Ranjit Singh were honoured as chief guests. As recommended by the ordination committee of FMPB and the Executive committee of Trichy Tanjore diocese's decision, our missionaries Mr. Manimaran, Mr. Daniel David, Mr. Daniel Arulmani, and Mr. P T Jeyasekar were ordained as Presbyters. Together with these candidates from FMPB, five other candidates from the diocese, one from IMS, and another candidate from TTS, Madurai, a total of 11 people were ordained. The recognition given by the diocese has strengthened our understanding and partnership with the diocese and the mission. The Bishop himself has worked as a missionary in Pachamalai and has made several mission trips, showing great concern and burden for reaching the people with the Gospel.

The mission and the Church are inseparable institutions anointed by God. We believe God will graciously use this memorable event to set the church ablaze with fires of revival that sweep across the diocese, motivating many to share the message of the Gospel and bring spiritual renewal among its members.

We thank the Bishop, Rt. Rev .Dr. D. Chandrasekaran, Clerical Secretary Rev.S. Sudarshan, Secretary, Treasurer and members of the Diocesan Council, the FMPB-SCAN leader Bro. Gnanadas and all those heads of the institutions run by the CSI Diocese, the supporters of FMPB who participated in this historical event and graced the occasion.

Rev. D. Manimaran,

"HOW DO I KNOW IF GOD IS CALLING ME TO BE A MISSIONARY?"

The following practical suggestions will surely help anyone who really wishes to know about the calling of God for a missionary work. When the passion for reaching the unreached people will increase in your heart, call some friends and pray together. The word of confirmation will come from others; will hear that you will well fit for the missionary work. When you hear the songs and sermons, the Word of God will minister to you in a special way. God will shut other doors and until one obeys to His call he/she will not have peace in the depth of the heart. These are the signals from the Lord who loves you and chosen you. Still, if you find difficult to discern listen to the following suggestions.

1. **Immerse yourself in the Word:** Read the word of God with much interest and expecting God to speak to you through His written and revealed Word of God.
2. **Listen to the Holy Spirit:** Be sensitive to God's Voice. Switch on your mind, let your mind be ready and be still to hear His voice, but do not expect for His appearance or vision. Who am I that God has to come before me and show Himself to reveal or prove Himself. Bathe your interest in missions with prayer and Bible study
3. **Look to God** as Sovereign. He is All Powerful God. He never fails us. He never makes any mistake. He often leads by opening and closing doors. God who created you and saved will meet all your needs only when we trust His sovereignty.
4. **Seek the Counsel of matured Christians.** Church Elders, Pastor, a mentor, close Christian friends and leaders, they will guide you.
5. **Read everything about the missions** and biographies of the missionaries that will give clarity in your mind to take decisions.

6. **Get involved in the missions'** mobilization and education program of your local church. **And Throw yourself into active ministry** of the Church and mission agency
7. **Listen to the mission stories** from the field missionaries.
8. **Talk to your missionary** and the Prayer Group Leader about the ministry.
9. **Go for the nearest mission field visit.**
10. **Contact** a missionary sending agency for more information and clarity.
11. **Consider giving a year of volunteer service** in a known mission.
12. **Form a small prayer group** and pray with your friends.

"Then Samuel said, 'Speak, for your servant is listening.'" - 1 Samuel 3:10

Missiologist J. Herbert Kane wrote that a person will enhance the possibility of hearing God's call if he or she has: **An Open mind, Attentive ear, Pure heart, Busy hands and Ready feet.**

Missionary Dedication

Praise God for raising WFCCC to partake in God's plan of salvation in human history through FMPB ministry. It is a vibrant and growing Church committed for evangelism and passionate to transform lives through

the proclamation of the Gospel of Jesus Christ. We are grateful to God for the strong partnership between WFCCC and FMPB to pray and sponsor 15 missionaries on behalf of the congregation. On 14th August, 2022 the missionaries were dedicated in a simple but profound manner in the presence of 450 members gathered for the three days National Fasting Prayer held at YMCA, Secunderabad. All were challenged by the sharing by the missionaries about their life changing experiences and testimonies from the mission fields. Participants were highly motivated and expressed their willingness to pray and support the ministry of FMPB. The genuine love, respect and generosity extended to all was noteworthy. We express our gratitude to Pastor Vincent and the congregation of WFCCC for their valuable support and prayers for FMPB ministry.

TRAIL BLAZERS

THE SAVING LOOK

The Crystal Palace in London on the Fast Day, 7 October 1857, saw Charles Spurgeon preaching to the largest crowd ever without amplification – 23,654 people. The power of God on Spurgeon was so great that he was able to arrest the attention of thousands for several decades! Charles Haddon Spurgeon was born on June 19, 1834, just ten days after the great William Carey died in India. In his 18th month, due to the economic conditions Spurgeon was sent to live with his grandparents. His grandfather, James Spurgeon, ministered to the church at Stambourne for 54 years. Those few years, made a profound impact on the young man's life. He picked up the habit of reading Puritan books which he continued throughout his life. Like many young people of his day,

Spurgeon struggled over his relationship with God for a number of years. Spurgeon remembered how he fought against the idea of giving into Christ's Lordship: "I must confess that as long as ever I could, I rebelled, and revolted, and struggled against God. When He would have me to pray, I would not pray ... And when I heard, and the tear rolled down my cheek, I wiped it away and defied Him to melt my soul. But long before I began with Christ, He began with me." Spurgeon said that "God was plowing his soul, ten black horses in his team - the ten commandments - and cross plowing it with the message of the Gospel, for when he heard it, no comfort came to his soul." With all of his Biblical upbringing and praying, Spurgeon was still a lost child.

When he was fifteen years old, one Sunday a heavy snowstorm prevented him from getting to his usual Church. He turned in at a little Primitive Methodist chapel, where there were only about fifteen people in attendance. As he entered an unlearned and unnamed itinerant preacher proclaimed the text, **"Look unto Me, and be ye saved, all the ends of the earth."** During that message, the preacher looked directly at the young stranger in their midst and said, "Young man, you look very miserable ... You always will be miserable in life and in death if you don't obey my text, but if you obey now, this moment you will be saved." In that moment, he decided to give himself over to God. Spurgeon described his transformation this way: "There and then the cloud was gone,

the darkness had rolled away, and that moment I saw the sun; and I could have risen that instant, and sung with the most enthusiastic of them, of the precious blood of Christ, and the simple faith which looks alone to Him. Oh, that somebody had told me this before, 'Trust Christ, and you shall be saved.'

Spurgeon began preaching immediately after this in rural Cambridge shire when he was barely in his teens. He took his first pastorate at sixteen in the village of Water beach, a few miles from the Cambridge University. "I must and I will make the people listen," the boy preacher said. None did it better for the next forty years in Britain. People trekked from miles away to hear the preaching prodigy of Spurgeon. Within eighteen months his reputation had spread to London, and he was invited to preach at the historic New Park Street Chapel. The 19-year-old country-bred boy preacher thus moved to the greatest city of the world at that time and never moved out. Here in London Spurgeon quickly came to be known as the "Prince of Preachers." His sermons were printed each week (even in the newspapers), and then the sermons for the year were re-issued as a book at the end of the year. Even to this day Charles Spurgeon remains as one of the most published preachers in history.

He also served as president of the Pastors' College, which he founded in 1857 for lay preachers; established the Stockwell Orphanage that opened for boys in 1867 and girls in 1879 which housed and fed hundreds of children

and trained them in the Word of God who otherwise would have roamed the streets as thieves and vagrants. He established more than 55 organizations as these and over saw them all. But while Spurgeon's ministry flourished, his health did not. However, Spurgeon's son believed that these ailments actually benefited his ministry. "As the crushing of the flower causes it to yield its aroma, so he, having endured in the long-continued illness of my beloved mother, and also constant pains in himself, was able to sympathies most tenderly with all sufferers." Illness forced Spurgeon to keep a low profile during the last few years of his life. He preached his final sermon at the Metropolitan Tabernacle on June 7, 1891. He died in France on January 31, 1892.

B. H. Carroll talking about his larger influence around the world referred to Spurgeon as the tallest and broadest oak in the forest of time has fallen... He fought a good fight and kept the faith, and while we weep, he wears the triple crown of life and joy and glory, which God the righteous Judge has conferred upon him. On the day when the call came to look up and be saved, he did look up at the Sun of Righteousness and let many look at the Son as well! The story of Spurgeon teaches us that salvation may be obtained by a "look." It is Immanuel, the incarnate God, and the glorious and affecting Object, who commands and invites us to look. Our looking shall not be in vain, for He is God, who engages to save those who look to Him from all the ends of the earth.

Bro. Venkatesh P. Daniel

(1980 - 2013)

Our missionary Venkatesh P Daniel, just 33 years old, was one of our believers from the mission field, who obeyed the call of God and joined with us as a missionary. He met with a road accident and died while he was involved in Church construction. He is survived by his wife, daughter, and son.

Early Life:

Venkatesh P. Daniel was born in a non-Christian family on 15th March 1980 in Perigai, Dharmapuri district, Tamil Nadu, where Friends Missionary Prayer Band had its mission field of the Southern Zone. His father was Mr. Pappannan, a businessman and his mother Mrs. Jeyamma was a homemaker. Venkatesh had one sister Indirani and three brothers Murugesan, Samuel Venkaiah and Nagaraj. Like his mother Venkatesh was religious and used to go to temples regularly. He finished his higher Secondary School successfully.

New Creation in Christ:

From 1967 onwards FMPB is involved

in evangelistic work in Dharmapuri and Krishnagiri Districts. As a result thousands of people decided to follow Christ in these districts. People from different walks of life came to know the Lord Jesus. At that time, Venkatesh's father Mr. Pappannan, was a flourishing business man who had his own house, land and was a wealthy person. Out of jealousy some people did witchcraft against this family. Mrs. Jeyamma became very sick due to that effect. Mr. Pappannan took her to different hospitals and consulted many doctors, but in vain. He met a local Temple man, who instructed them to build a temple and to do some rituals, for his wife to be completely healed. So, Mr. Pappannan sold his house and built a temple as per the demand of the Temple man. But she was not healed and Temple man told that she would die soon. When this family went through this painful situation, Mr. Pappannan left the family and went somewhere. He did not return home. Now they lost their house, money and literally were in the street. They lived under a tree's shadow.

FMPB missionary Mr. Muniappa met this family who were without shelter and any help. He shared about the love of God and his personal witness how a tribal worshiper came to know about the Lord Jesus Christ. How God blessed him and his family. His message was apt for them and they were attracted by the Gospel and the Saviour Jesus Christ. They put their trust in the Lord Jesus Christ. Mrs. Jeyamma accepted Christ and children followed her and they too accepted Christ. They attended the Church regularly. Within a short period they got a house to live in. Mr. Pappannan who heard about the family came and met them. He did not put his faith in Christ, later after seeing the miraculous work of the Lord, he too accepted Christ and lived with his family.

Call of God:

Mr. Venkatesan P. Daniel was very interested to read the whole Bible. He attended the Church service regularly and was actively involved in the Church programmes. He was also involved in proclaiming the Gospel along with the missionaries and the Church. He had a burden to share the Gospel and help the family which was under the darkness. In due course Venkatesh P. Daniel decided to do God's work rather than any secular job. He spent quality time at the feet of the Lord every day. One day he had a dream, in that dream in which he saw himself preaching the Gospel to a crowd. Then, pondering over this dream, he came to know that God is calling him to proclaim the Gospel to the needy. While he was reading the Bible, God confirmed His call through Galatians 5:13.

A servant of God counselled Venkatesh to join a Bible College so that he can prepare himself for the future ministry. In 2002 he joined a Bible College. He came to know about the Gospel Ratham Wing of FMPB. So he joined with the band of young people to preach the Gospel in the streets through Light and Sound programmes. The response from the people encouraged him to do more effectively. In 2008 he applied to FMPB to go as a missionary to North India, and was selected. Soon after his one year missionary training in the National Institute of Mission, a training unit of FMPB in Jhansi, UP State, he was placed in the State of UP to serve God.

Married Life:

Mr. Venketesh P. Daniel married Ms. Aniya Josephine a missionary in Gujarat on 29th May 2009. Ms Aniya Josephine came from a Christian family, Tiruchirappalli. God blessed their married life with a girl baby on 24th April 2010. They, as a family, served the Lord in NIM, Jhansi for a year, and then

were moved to Nagpur Field office. Then, they had an opportunity to serve the Lord in Asifabad and Pandharkawada. From 2012 they were transferred to the Chittoor Region among the Telugu speaking people. During that time a Church construction was in progress, so Mr. Venkatesh was actively involved in the construction of the Church at Santhipuram.

Last Days:

While he was fully involved in the construction work of Santhipuram Church he met with a road accident. A truck with a load of materials came reverse where Venkatesh was with his motorcycle and hit the motor bike on which Mr. Venkatesh was sitting on 26th February 2013. Due to this direct hit in his hip and the lower parts, his internal parts were damaged. Immediately he was rushed to Chittoor Hospital and first aid was given. Then our missionaries who rushed to the spot took him to CMC Vellore for treatment. The doctors of CMC took all the efforts to save his life. His internal parts were crushed to that extent that it could not be set right. Within a week his health deteriorated, breathing was very difficult for him. So on 2nd March 2013 he went to be with the Lord, He had left behind his wife, who was on the family way along with a little girl named Crossby Ebinisha. His body was taken to his native soil for burial with the hope of resurrection. Within a month Mrs. Aniya Josephine delivered a baby boy named Brenden Daniel. Mrs. Aniya Josephine worked among the young people based at Trichy and now in the Trichy mobilization. Her son Brenden has been diagnosed with Hydrocephalus (accumulation of fluid in the brain). He is under treatment and needs our sincere prayers. Kindly uphold Aniya and her two children in your prayers.

Since Arun's health was not good, Bhawarsingh decided to take him back home and to leave him in hostel after he gets well. So both father and son started their return journey to Tukaithad. By the time they left Boregaon, it was already late and darkness was setting in. While they were returning, there was heavy rain. Somehow they managed to cross two rivers, which were overflowing due to the rain. On the way their bike tyre got damaged. Still they had to go a long way around 10kms through the jungle road to reach their village. On the jungle way, Bhawarsingh noticed, some people were standing on the road side with sticks and rods in their hands. One of them was trying to stop him, but Bhawarsingh Bhai hurried passed them and escaped from them. Later it was known that they were the robbers, who were way waiting to rob some body. Glory be to God, even though Bhawarsingh and his son faced hardships on the way, they reached home safely late in the night. Halleluiah!

The power of Fasting prayer!

Shubh, of Thanwla village, is about 30 years of age. She is married and has three children. She was very good when she got married 8 years ago. After few years there was a change in her behaviour. So her husband thought that she was under some witchcraft because she was trying to kill him, she was furious always. Seeing that she has become mad her husband left the house, and got married to another woman. She was often found in the forest and sometimes in the highway. One day our believer saw her on the Julwania way and brought her along and made her stay in the Silotia. They took her for the 3 days fasting prayer that which was conducted under the National fasting prayer from 22- 24th August 2022. That same day she suffered a lot but when the missionary and the congregation started praying for her the Lord listened to their fervent prayers and delivered her from demon possession. Thank the Lord. Within a week her whole madness went away and she has started to do her own work, today she also prays and gives thanks to the lord

Mithran was born on 13th May 1976 at Madurai in a Christian family to Mr Thinakar and Mrs. Rani. Bible reading and family prayers were regular in their family and apart from that he was part of a prayer cell that gathered on all Sundays. He was much interested in Church activities and the village ministry that was done through the Church youth.

He lived a nominal Christian life. In 1999 he was encouraged By Rev. J.J Harris to attend our State Conference conducted in Covai along with his Madurai All Saints Church youth. On the second day Santhiya he was inspired by the life of missionaries depicted through drama and by the God's Word that was shared by Dr. Sam Kamalesan from Luke 10:2. He accepted Jesus as the personal Saviour and there after his prayer life changed, and he committed his life to serve God Fulltime. But he forgot the call and got into a job. But he was unable to be permanent in any job and lost his peace of mind. One day when he attended a youth meeting in his Church, God reminded about his call from the same passage of Luke 10:2. Then he recommitted his life to do the ministry. His mother too had dedicated his life for fulltime ministry when he was in his mother's womb. In 2002 November, as he was waiting for God's leading, Rev Harris called him to help him in FMPB office at Madurai as casual volunteer and was involved in promotional ministry for 4 ½ years.

During this time he visited FMPB mission fields along with the leaders and witnessed the miracles Jesus had done in the lives of our believers and there he decided to serve God through FMPB He joined the ministry of FMPB in May 2007.

Later he was united in marriage with Nirmala on 2002 June 29th who was serving the Lord among the Maltoes in Jharkand from 2003 to 2007. She was born as the eldest daughter to Mr. Bakthasingh and Mrs. Ebenezer in Surandai at Tirunelveli District on 24th September 1978. while she was studying in eighth standard, she accepted the Lord and committed to serving God full-time at an SU retreat. She finished her Diploma in Engineering in Salem but forgot her call to serve God. When she tried attending interviews she faced several obstacles, then she was reminded of God's call for ministry through the passage Luke 9: 60, 62. As she waited on God for His leading she attended a camp, there she was inspired by the life of missionary Ragland and confirmed her call for ministry. She joined FMPB in 2001. She attended the training at Jhansi in 2002.

Mithran and Nirmala were placed in Ramakuppam field in Andhra Pradesh for 5 ½ years. In 2013 they moved to Thane and Navi Mumbai promotional work in Maharashtra. Now they are placed in Nagpur for promotional ministries in Virdharbha and Chattishgarh Region for the past 4 years.

They are blessed with 2 boys Melwin Blesso studying in 10th standard and younger son Allwin Joshua in 6th standard. Let us uphold this family in our prayers.
